Standing here right now  
How can I contain what I'm feeling?  
In the quiet of my heart  
This is what Your love is revealing  
Chorus  
When I think about the life You gave for me  
So I could be with You eternally  
I think about the cross that rescued me  
In a beautiful moment  
I wanna give my life right back to You  
So You are glorified in all I do  
Every thought I have just brings me to  
This beautiful moment  
Oh, oh  
I can see the sun  
You saved me from the dark that surrounds me  
Because of what You've done  
Finally forgiveness has found me  
I think about the life You gave for me  
So I could be with You eternally  
I think about the cross that rescued me  
In a beautiful moment  
I wanna give my life right back to You  
So You are glorified in all I do  
Every thought I have just brings me to  
This beautiful moment  
Nothing I can give could compare  
Nothing  
Oh, nothing  
I will give You all that I have  
I think about the life You gave for me  
So I could be with You eternally  
I think about the cross that rescued me  
In a beautiful moment  
I wanna give my life right back to You  
So You are glorified in all I do  
Every thought I have just brings me to  
This beautiful moment  
I think about the life You gave for me  
So I could be with You eternally  
I think about the cross that rescued me  
In a beautiful moment

I wanna give my life right back to You  
So You are glorified in all I do  
Every thought I have just brings me to  
This beautiful moment  
Oh, every thought  
Every thought brings me right to you  
Just brings me right back to this beautiful moment
