Ladies, we need to break it down a bit
Know what I'm saying?
C'mon... boys?
They never learn, do they?

Ibyorun nul kulhage sarangun
Gabyopge gurohke hamyon duini
Onjena ne motdero ttutdero
Mamdero swiggeman seng gakhani

Gwi chanhdanun ne pyo jongun, no, no, no
Pigunhe, jom jom jichyo, jongmal non nunchi obso
Ssulde obtnun jajun shimun, no, no, no
Na kunghe ne apeson

Come on, go, let it go, sekaman noui maum
You just let me go, daboyo
Come on, go, let it go, ppon ppon han noui usum
Oh, oh, oh, oh, oh, ijenun shiro

Sasa gong on yuchi han sasohan
Maljang nan guge non jemi itni
Sesangul da dajinchok itnun chok
Anun chok jongmal non we guroni

Gulchi apun ne hengdongun, no, no, no
Hanshim he maldo mothe, jongmal nan michigesso
Dedam han ne sukin swipun, no, no, no
Do isang mot chamgesso

Come on, go, let it go, sekaman noui maum
You just let me go, daboyo
Come on, go, let it go, ppon ppon han noui usum
Oh, oh, oh, oh, oh, ijenun shiro

Kkut obtnun milgo dangkigi
Jiru hage so bicham haji
Say what, what, what, what
Noui sok sem nan algo itji
Hanshim han no bukkuroppi anh ni
Hey, hey, hey, hush

Gasumi gap gaphe
Jebal jom gumanhe, oh
Sok boi nun gojital
Mal anhedo da anunde

We non ihe mothe, oh

Come on, go, let it go, ijen jom bikyo julle
You just let me go, gaboryo
Come on, go, let it go, chagapge neng jong hage
Oh, oh, oh, oh, oh, da itgo salle

Everytime and every night, soljikhi holga bonhe
Everytime and every night, oh, oh, oh, oh
Everytime and every night, seropge shijak halle
Oh, oh, oh, oh, oh, issul tte jalhe
