Girl you know the hustler had to jump up on this track

and i be poppin model's hit the donkey from the back
and i be gettin swallowed everynite after my shows
you would think i hit the lotto i be swaggin on these
hoes
cass be on his toes ima get cash till the casket close
and i been baggin hoes since a kid wit a nasty nose
i had nasty clothes since back in the day when rappers
use to wear baggy clothes
i stay strapped in my ratchet hoes more shells then a
bag of pistachios
my ratchet blows for snitches i have you sittin in a box
i was sittin in a kitchen whippin the pigeons in the pot
i be watchin everything and i be listenin alot
when im spittin you be gettin a description of the block
to start pitchin on the block you gotta get permission on
the block
i school dudes then make em pay a tuition on the block
i got puss for sell if you sick i can fill yo prescription on
the block
i got cake i be knockin off weight like a dietition on the
block
get rid of pounds like a right sized smoothie use
benjamins to wipe my booty
im wit a chick wit some nice sized boobies she love my
raps so she love my movies
so she tronna seduce me she tronna give me some
coochie
dudes hate when she be showin cass love she get so
wet we have sex in the bath tub
and yo i blow mad bud mad Kush mad sour i smoke
alotta haze i always gotta blaze
and roll up a dutch every half hour

Im smokin till
ALL the haze burnt up x8
