Amazing Grace, how sweet the sound  
That saved a wretch like me  
I once was lost, but now I'm found  
Was blind, but now I see

I've been living in sin since the day I was born  
Now I'm living for Him till the day that I'm gone  
Every day that go wrong He correcting me, protecting  
me  
So I'm thanking God that I'm sanctified  
He blessing me, my destiny is to spread the Word  
I read the Word and it changed my life  
I praise the Lord and His name is Christ  
Whatever I do, I'm doing for Him 'cause I'm born again  
I done did some things in the past I can't imagine  
doing again  
We born to sin, so you need a savior, the Savior  
The penalty for sin is death  
But you resurrect if you seek in Christ  
It's the truth that God got crucified so all believers  
could keep their life  
That's the reason why I speak to Christ  
Through all the pleasure and all the pain  
He made you to be faithful  
And He'll save you if you call His name  
Jesus

Amazing Grace, how sweet the sound  
That saved a wretch like me  
I once was lost, but now I'm found  
Was blind, but now I see

Take a look in my eyes, tell me what do you see?  
I am more than a pastor, more than just college  
degrees  
More than preaching, more than teaching  
I am a simple man  
Who's been saved by God's grace when Jesus took my  
hand  
And now I praise the Lamb, what a beautiful Savior  
Who changed my heart and soul, not just my earthly

behavior

So I praise and thank You, I give God glory  
I love to tell the story, how my Savior died for me  
How I once was blind, but by his touch I see  
Jesus was resurrected so He could rescue me  
See, I once was lost but through Christ I'm found  
Jesus picked me up and turned my life around  
No matter who you are, Jesus cares for you  
I wanna share with you right now, He'll be there for you  
And He will carry you, so just seek His face  
And all you need is this, Amazing Grace

Amazing Grace, how sweet the sound  
That saved a wretch like me  
I once was lost, but now I'm found  
Was blind, but now I see

God's grace is amazing  
God's grace is efficient  
Hear the word  
Then share the word  
It's God's mission for Christians  
Listen, you can't be saved by no man-made religion  
Choose one side 'cause it's one God  
And to save the world His Son died  
Yeah, he disposed the sin  
Then rose again when they murdered God  
Faith comes by hearing  
And hearing comes by the Word of God  
Even Jesus ain't play it safe  
But Heaven's an amazing place  
Through faith if you believe, then you'll receive  
Amazing Grace
