They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler

They believe in the money, they believe in the dollar
I'll be spending plenty money, that's the reason they
swallow

If she stripping I'm tipping, if she licking I'm tipping
If I pay, she gotta pay, that's the freaking tradition!
I'mma nibble on the nipples, then I'm eating the kitten
Then I'm sticking my dick, and hit you in switcher
position!

Yeah, the cameras is ruined, and the picture is â€¦
Cause we're making a movieâ€¦ on the bootie
Yo, I'm chasing the Gucci, I ain't chasing the groupie
Put my face on aâ€¦ and get some face and I'm â€¦
Stick my dick in the mouth, get, get some scouts
Then I'm getting the.. like bitch, get off my house!

They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler

Yo, I'm even on Patronâ€¦ the Henny
Plenty pot, I'll be smoking like the top of the chimney
And I'm probably on the mile, I'll be popping theâ€¦
And the M6 drop, make the topâ€¦
Kiss andâ€¦
I'll be hustling stuff andâ€¦
I bought a couple rocks with me, bought a couple sluts
with me
..and then hop on the chimney!
Yes, yes sir about the molesterâ€¦
I spent a couple dollars, I can't be called cheap
But if you swallow tonight, then we eat and allâ€¦

They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler
They believe in a dollar, that's the reason they holler

I told mommy, let me hit you, now I get you a check
Money and sex is connected like the nipples and breast
So I get some bread, and she get me some..
It was a picture so I called youâ€¦
Now she's calling my phone, like I'm.. to death
I'm like I can't say I wish you, but I wish you the best
If that get you the sex, I gotta get you a rest
Cause I don't want you, catch your feelings,
that could get you oppressed
Yeah, I was getting your text, I got yourâ€¦ too
But I got a lot of chicks, I gotta see 'em too
Boo, I screw your sister and her best friend too
..cause that's what grown up man do!
They believe in a dollar!
