

Cassidy "Condom Style"

Visit "[Condom Style](#)" on MotoLyrics.com

This bad chick, her name Stephany,
Said her destiny is to fuck with me,
She pressing me to have sex with me,
But Stephany could have STD.
She start to kissing and caressing me,
Yes, she was sexually molesting me,
But having sex unprotectedly is like putting your life in
jeopardy.

So I'm strapping up, open the wrapping up,
And put the Magnum on before I smash the junk
She was kind of mad that I had it on,
But no, I ain't going raw on that nasty junk.

I don't care if she said "I'm not affected"
Cause I don't wanna have her say that "you got me
pregnant"

A lot of bad ones want you to go off,
But you don't know, you had a luck.
And I don't act tough, she told me go off,
But I say no, you never know.
She could share the club tomorrow, I don't care,

Stroke 'em condom style,
Condom style,
Stroke, stroke, stroke, stroke,
Stroke 'em condom style,
Condom style,
Stroke, stroke, stroke, stroke,
Stroke 'em condom style.

Hey, sexy lady,
Stroke, stroke, stroke, stroke,
Stroke 'em condom style.
Hey, sexy lady,
Stroke, stroke, stroke, stroke.

I see this vast Spanish chick,
So I had to approach her,
She had a pretty face, a skinny waist,
But her ass was fat as Oprah's.

So imma get that bulk up,
Then imma stroke a cho-cho,
But if she want me to go on without a cho,
Esta loca.

No, I don't care, I never stroke unprotected,
No, I don't care, it's real, you got to prospect it.
No, I don't care if she say I'm not affected,
Cause I don't wanna have her say that "you got me
pregnant"

A lot of bad ones want you to go off,
But you don't know, you had a luck.
And I don't act tough, she told me go off,
But I say no, you never know.
She could share the club tomorrow, I don't care,

Stroke 'em condom style,
Condom style,
Stroke, stroke, stroke, stroke,
Stroke 'em condom style,
Condom style,
Stroke, stroke, stroke, stroke,
Stroke 'em condom style.

Hey, sexy lady,
Stroke, stroke, stroke, stroke,
Stroke 'em condom style.
Hey, sexy lady,
Stroke, stroke, stroke, stroke.

The day before, but I ain't popping raw,
Baby, baby, not, no more,
I ain't popping raw.
I did before, but I ain't popping raw,
Baby, baby, not, no more,
I ain't popping raw.

Now I say hey, stroking condom style.

Hey, sexy lady,
Stroke, stroke, stroke, stroke,
Stroke 'em condom style.
Hey, sexy lady,
Stroke, stroke, stroke, stroke.

Stroke 'em condom style.
