Crack for the money you know how we play
We flip that C R A C K
Crack for the money you know how we play
We flip that C R A C K
Crack for the money you know how we play
We flip that C R A C K

Crack, it got my niggaz addicted
Crack, but got my niggaz convicted
Crack, why niggaz stand on the block
It's called crack, it got my man and 'em shot
I said crack, what niggaz sell for the cash
Crack, got the women selling their ass
Crack, what the feins use to get high
And the hustlers move to get by
That's why the song called crack

I got the cops drawn, I put the block on
Over rare 'bout to stock viles of the popcorn
Feins got the block warm getting they cop on
My youngn's run the block till every one of the rocks
gone
And I got another block I'm puttin' the pot on
Strong enough to smell through the jar with the top on
Cop and be gone if you come to the block drawn
I'll hit you with the glock till every one of the shots gone

He thought he was a thug, he was all on his pop join'
Till he got popped now he all on his rock join'
I left him all on the block with his top gone
Law called his mom and pop they all on their shock join'
I was just tryna make some bread for my family
And everybody got somebody dead in their family
And everybody got some crackheads in their family
So it's no room to hate 'cause I know you relate, my shit

Crack, it got my niggaz addicted
Crack, but got my niggaz convicted
Crack, why niggaz stand on the block
It's called crack, it got my man and 'em shot
I said crack, what niggaz sell for the cash
Crack, got the women selling their ass

Crack, what the feins use to get high
And the hustlers move to get by
That's why the song called crack

I'ma blow like propaine because the flow flames
It'll have you look like the cooked version of cocaine
I spit crack homie, never been wak homie
I'm back homie and I hold weight like I'm fat Tony
Like a Soprano I stay with the ammo
Push keys and make music but don't play the piano
You could get blam, yo, I'm nice with my hands doe
You'll be looking like Rocky if you play like you Rambo

I'm looking type Rocky when I hop out the Land Vo
Bezel on the band, whoa, rock on the hand glow
It's all for the fans doe, thanks for the support
My 16's like the nicotine in a newport
I'm like too short pimpin' these hoes
I'm the best at inventin' the flow since hove
What these other niggaz spittin' is trash
But it's like hittin' a glass when you listen to cass, my
shit

Crack, it got my niggaz addicted
Crack, but got my niggaz convicted
Crack, why niggaz stand on the block
It's called crack, it got my man and 'em shot
I said crack, what niggaz sell for the cash
Crack, got the women selling their ass
Crack, what the feins use to get high
And the hustlers move to get by
That's why the song called crack

I still be fucking it all up
Gettin' it, mixin' it cuttin' it all up
I make hella cake and I'm addin' it all up
And I ain't sellin' weight, man I'm baggin' it all up
My youngn's on the block they be knockin' it all off
Who you think the feins be coppin' it all off
My block got hard but we coppin' it all soft
If it's snakes in the grass we choppin' it all off

If you play wit my cash I'm poppin' at all ya
Wit my face in a mask I'm choppin' at all ya
But due to the fact I be rappin' and all that
I be actin' and all that I ain't clappin' at y'all cats
But before I did music and movies and all that
I was moving in all black with the toolies and all that
But now I don't got time 'cause I'm eatin' and all that
I'm too decent for all that to be beefin' with y'all cats,
you on

Crack, it got my niggaz addicted
Crack, but got my niggaz convicted
Crack, why niggaz stand on the block
It's called crack, it got my man and 'em shot
I said crack, what niggaz sell for the cash
Crack, got the women selling their ass
Crack, what the feins use to get high
And the hustlers move to get by
That's why the song called crack

Crack, crack
It's called crack
I said crack
Crack, crack, crack, crack
