I'm the dopest nigga out, I'm the dopest nigga out
I'm the dopest nigga out, dopest nigga out
That stupid nigga never should'a opened up his mouth
What the fuck is nigga smoking? I'm the dopest nigga
out
Dope, dopest nigga out, dopest nigga out

I'm the dopest nigga out, I'm the dopest nigga out
I'm 'bout to make 'em scatter like the ... in their house
What the fuck is nigga smoking? I'm the dopest nigga
out
If they put me up in that ring (ring), put me up in that
square (square)
They will put me up in that bang (bang), put me up in
that chair
Home dies if this battle happen, far as battle rapping
Homes ain't making it home alive,....
It's fear when you looking at her eyes
I scared the boy, he paranoid
Don't spare the boy catch a body...
Body bags I'mma... boy
Rest in peace to

.....

I don't see how

...

He overrated I'm underrated,

...

Him and the other

I'm the best pound for pound

And we can go round for round right now

I'm the dopest nigga out, I'm the dopest nigga out

I'm the dopest nigga out, dopest nigga out

That stupid nigga never should'a opened up his mouth

What the fuck is nigga smoking? I'm the dopest nigga

out

Dope, dopest nigga out, dopest nigga out

I'm the dopest nigga out, I'm the dopest nigga out

I'm 'bout to make 'em scatter like the ... in their house

What the fuck is nigga smoking? I'm the dopest nigga

out

Man, you ran you mouth,

.....

.....

I can move my lips
And what you'll hear can make New Years

....

.....

You can't stay with your plan A, fuck what you
Chew you up and then spit you out, so man up stop
bitching out
I'm the dopest nigga out, I'm the dopest nigga out
I'm the dopest nigga out, dopest nigga out
That stupid nigga never should'a opened up his mouth
What the fuck is nigga smoking? I'm the dopest nigga
out
Dope, dopest nigga out, dopest nigga out
I'm the dopest nigga out, I'm the dopest nigga out
I'm 'bout to make 'em scatter like the ... in their house
What the fuck is nigga smoking? I'm the dopest nigga
out
While you was watching

.....

I was throwin' throwin'
I be with bitches the bitches like
And I be twistin' that ...

.....

The trees get lit like it's Christmas night
You might can rap but don't risk your life
I ain't playing around with you
If we get in the square
We could come to rap for that
And then give some
You scared of me...
I'm the dopest nigga out, I'm the dopest nigga out
I'm the dopest nigga out, dopest nigga out
That stupid nigga never should'a opened up his mouth
What the fuck is nigga smoking? I'm the dopest nigga
out
Dope, dopest nigga out, dopest nigga out
I'm the dopest nigga out, I'm the dopest nigga out
I'm 'bout to make 'em scatter like the ... in their house
What the fuck is nigga smoking? I'm the dopest nigga
out
