Chorus:

We're all the goons that listen to goon music
Right here!
We're all the goons that listen to goon music
Right here!
We're all the goons that listen to goon music
Right here!
As we can tell you all!

I'm living in a golden... in the goon music!
I'mma live it up, and bitches can't fuck
I'm living the goon life, listen to goon music!
Fuck, what cats feel I'mma make crack I'll
Cause I'm living the goon life!
Listen to goon music!
Cops gonna get killed and cops gonna get killed
I'm living the goon life
Listen to goon music!

It's goon music
Dope on the spoon music
Cash showing the ass, that bad boom music!
Bananas! It's pissed to hit you with the hammer
And put a scar on your face...
I'm crying, running through sand like Santa
That's why my diamonds clear like an iPhone camera
If you don't like what I'm doing, fuck you, I'm going
hustling
Get chicks like I'm trying to pull a growing muscle
I'm on a block knocking...
That's why I ball like a border took you to pay off!
I got pills you can order, boy!
And I got that order boy
My strip get the Bobby... touche off
Dog, my dick in my... I put you bitch face in my lap and

sucked up on a tiny jet

Chorus:

We're all the goons that listen to goon music
Right here!
We're all the goons that listen to goon music
Right here!
We're all the goons that listen to goon music
Right here!
As we can tell you all!

Checks from... is goon music!
Yeah! I talk big bucks, big cars and big trucks
I'm living in a golden... in the goon music!
I'mma live it up, and bitches can't fuck

Listen to goon music!
Cops gonna get pillled and cops gonna get killed
I'm living the goon life
Listen to goon music!

Chorus:
We're all the goons that listen to goon music
Right here!
We're all the goons that listen to goon music
Right here!
We're all the goons that listen to goon music
... we track from June to June, is goon music!
Yeah! I talk big bucks, big cars and big trucks
I'm living in a golden... in the goon music!

Cause I'm living the goon life!
Listen to goon music!
Cops gonna get pillled and cops gonna get killed

I'm living the goon life
Listen to goon music!

It's right, nobody buys nicest cast
So the radio should be bumping my ass like a dipper
ash.
I'm sipping liquor, would you like a glass?
I'm about to light a bag of fire, and get high in the price
of gas.
... good, but the price is bad
I'm... like the bitch in the... typing fast.
I like that exit, life is fast
And you lead a fast life, how long you think your life will
last?
Grab a knife, stab, stab! Slice your ass
Fuck a fighter, a knife who'll cut your motherfucking
life in half!
I want one, you're fucking with the wrong one
I'm sure, but I got a long dick in the long gun
I'm with this chick that got a long tongue
The bitch thin, but give it in, until the fat lady...
This shit crack, you gonna be high on the song
The problem if Fred The Godson get the...

Chorus:

We're all the goons that listen to goon music
Right here!
We're all the goons that listen to goon music
Right here!
We're all the goons that listen to goon music

Yeah! I talk big bucks, big cars and big trucks
I'm living in a golden... in the goon music!
I'mma live it up, and bitches can't fuck
I'm living the goon life, listen to goon music!
Fuck, how cats feel I'mma make crack I'll
Cause I'm living the goon life!
Listen to goon music!
Cops gonna get pilled and cops gonna get killed
I'm living the goon life
Listen to goon music!
