[Chorus]

Everyday everyday everyday everyday

Off the life

I get high

So high

That I can kiss the sky

Heads in the clouds

But I don't know why

But you can tell by the look in my eyes

Everyday everyday everyday everyday

Off the life

I get high

So high

That I can kiss the sky

Heads in the clouds

But I don't know why

But you can tell by the look in my eyes

You don't wanna party

When you're around me

I'm a drug dealer

And a killer like ..

I can't go upstate

I do time in a county

But the federal police surrounds me

[Chorus]

I'm driving my JT Bentley

Put your baby mama .. Monica Lewensky

She've seen a president she'd jump in their ...

.. you can see she's on my dick evidently

She said oh no I'm not a hore but you can .. me

I'm like .. baby father .. like a century

He'd be drawing me like Leonardo DaVinci

I always drink until my glass's empty

Smoke too much weed that I got a bad memory

It's a lot of jealousy and envy

But it's all good

I got the neighborhood and my friends

[Chorus]

You don't wanna test me
You can get snipe like ...
Shuts pop like Pepsi
You better respect me
I'll kick your ass like ..
Put you on ice like ..
Turn you into a ghost like ..
None of you folks gonna impress me
.. but it's sexy
Email attacks me
Call on my phone
They try to catch me
They blow me like dizzy
...
They're addicted to my dick
So all the chicks stress me like
I'm vitamin acid

[Chorus]
