[Verse 1]

I always had dreams to live it up  
Get a bigger crib, some bigger jewels, and a bigger truck  
Patron in bigger cups, im smokin a bigger dutch  
If a bigga nigga trippin da bigga nigga get touched  
Da bigger dey are, da harder dey fall, and plus  
Da bigger da gun, da louder da sound wen it buss  
If I put a potato ova da hammer itll hush  
Times money, im tryna find money im ina rush  
Life sucks, da wheel keep turnin like double dutch  
its a struggle, but im still gon hustle, and double up  
my whole life i stayed in some trouble but,  
If nothing jumpin off, den im startin some trouble up

[Hook]

(Nigga I dont give a fuck, And I dont give a fuck)  
Never did, never will thats just how a nigga feel  
(Nigga I dont give a fuck, And I dont give a fuck)  
Never ran, never will ima have to get killed  
(Nigga I dont give a fuck, And I dont give a fuck)

[Times 3]

So im livin my last like  
(I dont give a fuck)

[Verse 2]

I always had dreams to make a mill  
I fullfilled my dream, my new plan is to make a bill  
And most of dese niggas fake, dey aint real  
Sumtin happen, dey start rattin and takin deals  
I got plastic gats im strapped  
But i could still take a walk through da metal dector  
wearin da Heckler  
If i catch a nigga tryna to apply pressure  
Im quick to lick a shot like REWIND SELECTOR  
Like a rule boy, I play with the tool boy,  
And I hear when you die ya body get cool boy  
I rather win da war instead a makin da news boy  
I been hustlin i aint got nuthin to prove boy  
(Nigga I dont give a fuck, And I dont give a fuck)  
Never did, never will thats just how a nigga feel  
(Nigga I dont give a fuck, And I dont give a fuck)

Never ran, never will ima have to get killed  
(Nigga I dont give a fuck, And I dont give a fuck)  
[Times 5]  
So im livin my last like  
(I dont give a fuck)

[Verse 3]  
I always had dreams of success  
But I love music I dont just do this to get the check  
And if i conversate with a chick ima get some sex  
Even if it aint da coochie i kno ima get some neck, yes  
Im da best, i get money and get respect  
I was just sittin in jail callin niggas collect  
But I still empty da clip of da gun if its drama  
I dont give a fuck, dats on my son and my momma  
(Nigga I dont give a fuck, And I dont give a fuck)  
Never did, never will thats just how a nigga feel  
(Nigga I dont give a fuck, And I dont give a fuck)  
Never ran, never will ima have to get killed  
(Nigga I dont give a fuck, And I dont give a fuck)  
[Times 5]  
So im livin my last like  
(I dont give a fuck)
