Uh uh
Na na na na na, na na na na na
Uh uh
Na na na na na, na na na na na

If the D.A. ask me to tell, I'm like uh uh
They like you want to go back to jail, I'm like uh uh
Upstate with the inmates and C.O.'s, no uh uh
I like to clap gats but my P.O. like uh uh

I stood in jail, I will never tell uh uh
Get the deal, I will never squeal uh uh
I wanna walk but I never talk uh uh
And that's that, I will never rat uh uh

Blow the whistle, I'm on my gristle
Tryin' to make a dollar out a dime and a nickel
I'll knuckle wit you but I got a couple pistols
If they hit you, you'll be dead or crippled

I'm just wit you, I ain't gon' bust a pistol
'Cuz I'm on parole and I ain't tryin' to get pickled
I call my gat acrobat, 'cuz it'll flip you
Stuff you in a box like some tissue

If you cats got 9 lives, I hope you brought a couple wit
you
Or you won't live, your relatives gonna miss you
If you a rat I ain't wit you
I wouldn't even tell if I seen Bin Laden buyin' a missile

If you a snitch I'll come and get you
Take your life and the life of the rest of the mice
runnin' wit you
You pack gats then I'm wit you
But if you live by the gun, you gon' die by the pistol

If the D.A. ask me to tell, I'm like uh uh
They like you want to go back to jail, I'm like uh uh
Upstate with the inmates and C.O.'s, no uh uh
I like to clap gats but my P.O. like uh uh

I stood in jail, I will never tell uh uh
Get the deal, I will never squeal uh uh
I wanna walk but I never talk uh uh
And that's that, I will never rat uh uh

You ain't a killa yet, you ain't a gorilla yet
I bang like I'm at the range and you could be the
silhouette
Yea I'm still a threat, you could still feel hate
The led put you to bed 'cuz you soft like a pillow set

You asleep, I'll put you to sleep
The bullets I put in the heat it'll put your face on ya feet
You could look in my face and see you facin' defeat
It's basically beef, don't let me see your face in the
street

You betta stand on the payment, you ain't safe in the
street
I'm flippin' weight in the street, I get cake in the street
So what you make in a year I could make in a week
Or probably a couple hours, I'm gettin' a couple dollars

All I'm doin' is takin' a beat and then speakin' the
Truth on it like Doctor King makin' a speech
Man you snitches conversate wit police
But there's a difference between a lake and a beach
And a grape and a peach

If the D.A. ask me to tell, I'm like uh uh
They like you want to go back to jail, I'm like uh uh
Upstate with the inmates and C.O.'s, no uh uh
I like to clap gats but my P.O. like uh uh

I stood in jail, I will never tell uh uh
Get the deal, I will never squeal uh uh
I wanna walk but I never talk uh uh
And that's that, I will never rat uh uh

I said, "You cats rats like the Master on Ninja
Turtles"
I was bein' nice, 'cuz y'all mice 'bout as big as gerbals
Little hamster, guinea pig type
Who be givin' information to the pigs with the
quickness

Them kids snitches, they'll try to ride against you
Then sign a subpoena and testify against you
Go to jail neva that, take a deal neva that
Squeal neva that, that's that I will neva rat

If the D.A. ask me to tell, I'm like uh uh
They like you want to go back to jail, I'm like uh uh
Upstate with the inmates and C.O.'s, no uh uh
I like to clap gats but my P.O. like uh uh

I stood in jail, I will never tell uh uh
Get the deal, I will never squeal uh uh
I wanna walk but I never talk uh uh
And that's that, I will never rat uh uh
