Uh huh  
Uh huh  
Uh huh  
Uh huh

[Chorus:]

If the DA ask me to tell, I'm like uh huh  
They like u wanna go back to jail, I'm like uh huh  
Upstate with the inmates and co's, no uh huh  
I like to clap gats but my p.o., like uh huh

I'll sit in jail I will never tell, uh huh  
Keep ya deal I will never squeal, uh huh  
I wanna walk but I'll never talk, uh huh  
And that's that I will never rat, uh huh

[Verse 1:]

Blow the fuckin whistle  
I'm on my fuckin grizzle  
Tryin to make a dolla out a dime and a fuckin nickel  
I'll knuckle with ya but I got a couple pistols  
If they fuckin hit u be dead or a fuckin cripple  
I'm just fuckin wit u I aint gone bust a pistol  
Cuz I'm on parolle  
And I aint trying to get fuckin pickled  
I call my gat acrobat cuz it will fuckin flip u  
Stuff u in a box like some fuckin tissue  
If you cats got nine lives  
I hope brought a couple wit u  
Or you won't live ya relatives gone fuckin miss u  
If u rat I aint fuckin wit u  
I wouldn't even tell  
If I seen bin laden buying a fuckin missle  
If u a snitch I'll come and get u  
Take ya life and the life of the rest  
Of the mice runnin wit u  
If u pack gats then I'm fuckin wit u  
But if u live by the gun  
You gone die by the fuckin pistol

[Chorus]

If the DA ask me to tell, I'm like uh huh

They like u wanna go back to jail, I'm like uh huh  
Upstate with the inmates and co's, no uh huh  
I like to clap gats but my p.o., like uh huh

I'll sit in jail I will never tell, uh huh  
Keep ya deal I will never squeal, uh huh  
I wanna walk but I'll never talk, uh huh  
And that's that I will never rat, uh huh

[Verse 2:]

You aint a killa yet  
You aint a guerilla yet  
I bang like I'm at the range  
And you can be the silhouette  
Yea I'm still a threat  
U can still feel a heck  
The lead a put ya to bed  
Cuz u soft like a pillow set  
U pussy's is sweet  
I'll put ya to sleep  
The bullets I put in the heat  
A put ya face on ya feet  
U can look in my face and see u facin defeat  
It's basically beef  
Don't let me see ya face in the street  
U better stand on the pavement  
U aint safe in the street  
I'm flippin weight in the street  
I get cake in the street  
So what u make in a year  
I can make in a week  
Or probably a couple hours...  
I'm gettin a couple dollars  
All I'm doin is takin a beat  
And then speakin the truth on it  
Like dr.king with a speech  
Man you snitches conversate with police  
But it's a difference between a lake and a beach  
And a grape and a peach motherfucka

[Chorus:]

If the DA ask me to tell, I'm like uh huh  
They like u wanna go back to jail, I'm like uh huh  
Upstate with the inmates and co's, no uh huh  
I like to clap gats but my p.o., like uh huh

I'll sit in jail I will never tell, uh huh  
Keep ya deal I will never squeal, uh huh  
I wanna walk but I'll never talk, uh huh  
And that's that I will never rat, uh huh

[Verse 3:]

I said u cats rat  
Like the mask on ninja turtles  
I was being nice  
Cuz u mice bout as big as gerbels  
Lil hamster guinea pig type niggas  
Who be givin information to the pigs  
With the quickness  
Them kids snitches they'll try to ride against u  
Then sign a sepina and testify against u  
Go to jail never that  
Take a deal never that  
Squeal never that  
That's that  
I will never rat

[Chorus]

If the DA ask me to tell, I'm like uh huh  
They like u wanna go back to jail, I'm like uh huh  
Upstate with the inmates and co's, no uh huh  
I like to clap gats but my p.o., like uh huh

I'll sit in jail I will never tell, uh huh  
Keep ya deal I will never squeal, uh huh  
I wanna walk but I'll never talk, uh huh  
And that's that I will never rat, uh huh
