Everyday you know you gotta hustle baby
You can't knock the hustle baby
Everyday you know you gotta hustle baby
(I'm a hustla, I'm a I'm a hustla, homie)
You can't knock the hustle baby
Everyday you know you gotta hustle baby
(I'm a hustla, I'm a I'm a hustla, homie)
You can't knock the hustle baby

See I got my mind right, I'm a stay on the grind
I'ma put my work in, get in where I fit in
('Cause I hustle)
Seven days of the week
(I hustle)
Just to stay on my feet

To all my single parent mothers just tryna survive
Doing what you gotta do, working nine to five
('Cause you hustle)
Gotta put food on the table
(You hustle)
Gotta keep the family strong

See I rhyme for the money, but I twenties and dimes
I got my mind on my money, for the money I grind
('Cuz you hustle)
I'm just tryna feed my seed
(You hustle)
'Cause my mom need the cheese

This for my niggaz on the struggle that's tryna survive
That's ex-cons so they can't get a nine to five
('Cuz we hustle)
Hit the block, do what you do
(We hustle)
'Cause other niggaz doin' it too, yeah

Everyday you know you gotta hustle baby
(I'm a hustla, I'm a I'm a hustla, homie)
You can't knock the hustle baby
Everyday you know you gotta hustle baby
(I'm a hustla, I'm a I'm a hustla, homie)

You can't knock the hustle baby

I stay with the trey-pound, I ain't playin' around
I got my gat at all times, that's the bottom line
('Cause you hustle)
Yeah, 'til I lie in the grave
('Cause you hustle)
Yeah and I'm a try to get paid

This for my niggaz in the street that play with the heat
It's Cassidy and M.J. on this Swizz beat
('Cause we hustle)
12 months of the year
(We hustle)
It ain't a bunch of frontin' in here yeah!

Gotta hold my man down we ain't playin' around
Got his back at all times that's the bottom line
('Cause we hustle)
'Til the day we die
('Cause we hustle)
To keep our love alive

To my fam' in the streets we bringing the heat
Cassidy and Mary J. on the Swizz beat
('Cause we hustle)
Seven days a week
('Cause we hustle)
Just to stay on our feet yeah!

Everyday you know you gotta hustle baby
(I'm a hustla, I'm a I'm a hustla, homie)
You can't knock the hustle baby
Everyday you know you gotta hustle baby
(I'm a hustla, I'm a I'm a hustla, homie)
You can't knock the hustle baby

Check it, you can fear or respect it
I wanna thank Hov for clearin' the record
If you don't like this song right here, then your ears
infected
You need to get your hearing corrected

Stones clear in the necklace, I wear so much plat on my
neck
It put bruises on the back of my neck, that's why Cat's is
upset
But I told you I'ma shine when it's time to
I put too much time and I been rhymin' since nine too

I knew I'm a Hustla was a hit

'Cause everything I ever got I had to hustle to get
Ain't nobody give me nothing for free
But I'd probably be dead or in jail if it wasn't for T

Gettin' booked is a bitch and catchin' a slug, scary
I need to feed my seed, thanks for the love Mary
But seein' me without the grams on the grind
It's like seein' Wesley Snipes in the tanning salon
I'm the hustla, the hustla yeah

Everyday you know you gotta hustle baby
(I'm a hustla, I'm a I'm a hustla, homie)
You can't knock the hustle baby
Everyday you know you gotta hustle baby
(I'm a hustla, I'm a I'm a hustla, homie)
You can't knock the hustle baby

Do that dance, do that dance
If you a hustla then do that dance
(Yeah, let's go)
Do that dance, do that dance
If you a hustla then do that dance
(Yeah, let's go)

Do that dance, do that dance
If you a hustla then do that dance
(Yeah, let's go)
Do that dance, do that dance
If you a hustla then do that dance
(Yeah, let's go)

Everyday
