I dont think nobody betta then me in this whole world

O shit I;m so sick I gotta go earle
And I be on some hoe shit ask ma old girl
if dis waz ya world it wouldnt be no girls
cuz u only like men alrite den go girl
u trufflin pussy like and hermaphrodite
i straight like 6'oclock ya not so pass da mic
itz a recession i copped ma watch 4 half da price

but da ice still see-through like a glass of sprite ima
hustla i had da white
but i had 2 quit cuz 4 bricks dey a lock u up 4 half ya
life
im da truth u aint half as nice
i mean da source magazine gon proly give u half a mic
when I die dey gon proly bring me back 2 life
but if dey not successful ima catch u in da after life
right we all gotta die some day
