Cassidy: The Hustla!!

Lou Rawls(I think):

Baby, do you understand now? (Cassidy: Larceny Family, YEAH!!)
Sometimes I feel a little mad
But, don't you know that no one alive can always be an angel
When things go wrong I seem to be bad
'Cause I'm just a soul whose intentions are good
Oh, Lord, please don't let me be misunderstood

Cassidy:

I'm from the streets when its beef I don't wanna talk
The gun ull spark it ull make you do a summersault
Then back hand send me when I clap the damn semi
I spark steel that ull have you doin' cartwheels
I give ya man the Tony Starks grill
Then show ya homie how gettin' stabbed in the fuckin
heart feel
I aint box in twelve years but I'm sharp still
They can't stand me I never lost like ya man Manny
Pop yow pop pow you I'm mad nice
You seen B-Hop last fight? That's how Cass fight
Jab Jab, right, left hook, uppercut
I broke a couple knuckles in the past I fuck you up
How you a gangster, when you ain't kill nothin' but a
couple bugs
You ain't bussin' slugs you a fuckin' nut
And you ain't never been fuckin' tough
But trynna front like you a fuckin' goon yo you fuckin'
up
Ten years ago I prolly would've stuck you up
You always been pussy man and you was never pushin'
grams
It's a recession yeah I know how shit lookin' man
But I follw the motto you gotta keep it pushin' man
Ay yo I been in the studio cookin' man
Look when my shit drop the top spot tookin' man

I don't use auto toon I don't sing songs
I'm King Kong I just body everything I'm on
And everybody still fuck wit everything I'm doin'
If you think somebody better than me, then bring em
on
Lets get it crackin' I been rappin' my whole life
When swiss said that I was a problem he was so right
Life rough and I'm hopin' everything go right
I hope that all these other rap cats could get they flow
right
My flow tight like them clothes niggaz been wearin'
lately
So I don't fuck wit none of the stuff I been hearin' lately

Lou Rawls(I think):

'Cause I'm just a soul whose intentions are good
Oh, Lord, please don't let me be misunderstood
