Cassidy:

Seriously no one can compare to me
Niggas scared of me
I'm still I'll I'm gon need therapy cuz lyrically ima...
And I'm hot it's not a conspiracy
My bars sick I could star in a horror flick ima...
And all my bars hard as shit
I spit crack, if you hear me rap it's gonna be hard to
quit
Ima hustla aint no drug hard to flip
But in the hood they drugs hard to get, my strip got
that..
You a target you aint hard to hit
I'll get you smoked like a jar of piff, my clip full of...
And the Ferrari I can hardly fit
I'm in a truck that's Ferrari quick, that bitch is a...
Spend more dollars get more horsepower
I stay with the haze but I got the kush and some more
sour
Comin in a couple more hours, why not?
I buy dutches by the 55 box, ima...
And you could always come to my block
We always open like IHOP, we trap like...
And I don't think these guys hot
They can't look me in the eyes like cyclops
That's why they not
And your john is on my jock
I got her panties wet you can't find a dry spot
She let me squirt it in her face like eye drops
