[CHORUS x2]

I got my drink and my two step

my drink and my two step

got my drink and my two step

my drink and my two step

It's on, it's on, it's on and I'm home

get the patron and tell them that it's on
I got my drink and my dutchie

I just be the murda

people think that I'm lucky

my link lookin huskie

get stoned

It's on, it's on, it's on the kid home

get the patron and tell them that it's on
put the smoke in the air and get stoned

the whip sittin' on 2 6s the lips chrome

my money used to be immature now my shit grown

big wheels big homes

I'm doin' it big Homes
It's on, it's on, it's on the kid home

get the patron and tell them that it's on

I do my 2 step

and let the link swing

hold the drink with the left hand and show the pink ring
[CHORUS x2]

I got my drink and my two step

my drink and my two step

got my drink and my two step

my drink and my two step

It's on, it's on, it's on and I'm home

get the patron and tell them that it's on
ay, yo, they wanna be like me
recreate my flow, imitate my flow, then relate my flow

by while they try and take my flow I make my dough

ay, yo, I can make it rain, 'cause I been making it snow

but yo, I been takin' it slow I wasn't around

but the car crash couldn't lay the hustla down

I'm still here for real, I'm still here

It wasn't looking pretty, but Swizzy I'm still here

they said I coulda been brain-dead in a wheelchair

but I'm standin' in the booth and the skills are still here

yeah, the hustla home, the hustla home

Let's celebrate a toast with a cup of patron
[CHORUS x2]

I got my drink and my two step

my drink and my two step

got my drink and my two step

my drink and my two step

It's on, it's on, it's on and I'm home

get the patron and tell them that it's on
Yeah, yeah, but your dutch in the air

smoke haze, let the smoke raise up in the air
you might have seen me in the ghini at a couple of fairs
The engine in the trunk the doors go up in the air
yeah and I been gone for a couple of years
I been shot, I been bled, shed a couple of tears
I ain't stressin' it's a blessing that the hustla here
let's celebrate a toast, put ya cup in the air
[CHORUS x2]
I got my drink and my two step
my drink and my two step
got my drink and my two step
my drink and my two step
It's on, it's on, it's on and I'm home
get the patron and tell them that it's on
