chorus and first verse

mami i get them dollas,hommie you wich ya shit was hotter

i know you miss ya father i undersatnd im back by popular demand

my wrist is on freeze,im at a micky d's eatin a mcChicken wit cheese, please come scream at ya daddy. i undersatnd im back by popular demand

you are now listening to the all time incredible , a nigga with a better flow. you aint never met before.bitch please i get cheese im gettin cheddar yo,but you can get ya whip swiss cheese when the baretta blow.instead of drow i blaze hydrade its all medical.but you smoke the kind that remind me of areggano.that mean its reggular,i call it reggie tho.chicks on my dick cause im cute and they see the bessie glow.like my harlem broad i fuck wit her heavy tho,i heard she be fuckin wit 50 but shit you never know.im sicker than the swine flu out in mexico,so dont let these niggas gas you up like a texaco.i used to didnt have money for the pedro,now my car can probably cause a cardiac aresst yo.cause im probably in the big body m the drop or the turtle top big enough to have a minaj in'
