aint no actin in Cass im as real  
as can be and all the real cats

me quit  
talkin about it you aint hard you  
just the one barkin the loudest  
you starvin to have it thats what  
i got cuz see the market is madness and cats like me  
are  
hard to find but to me it comes  
easy it aint hard to rhyme  
i done had my share of hard times  
but now its time to shine cuz  
its my time in the limelight  
and it sure does shine bright  
you know the rhyme tight  
and you know the others cant  
compete so who ever feel me  
come stand wit me cuz im gone  
straight to the top and on my  
way to the top i know the  
hatin wont stop but i dont care  
cuz i know my hearts blessed  
and i got a hard head and if i dont make it this time ill  
just start fresh
