As we continue on..

Cassidy

Featuring DeCypha

Let's go

I'm 'bout that, niggas know the motto  
You can it cheap homie if you know who I know  
'Bout to make it rain, get your poncho  
Niggas start the trip in 9 zone man, Rondo  
Rondo Rondo (I run the team) Rondo Rondo  
(Ball for the green) Rondo Rondo  
I'm known to make a swish I'm the man out this bitch  
(Rondo Rondo)

Couple racks, nice whip  
Blood would droll roll like a night stick  
I'm talkin' sides, I'm talkin' left  
I'm a star, blue chip  
Bangin' that Rosay, money make you come  
Say your head dumb? Well bitch come give me some  
Catch me in the club where them bottles pop  
My goons packin' more metal than Robocop  
No pat downs, we pass security  
So we can be a whole lot of foolery  
I see a bad chick, I'm on the pronto  
She'd better be a 9, Rondo

I'm 'bout that, niggas know the motto  
You can it cheap homie if you know who I know  
'Bout to make it rain, get your poncho  
Niggas start the trip in 9 zone man, Rondo  
Rondo Rondo (I run the team) Rondo Rondo  
(Ball for the green) Rondo Rondo  
I'm known to make a swish Im the man out this bitch  
(Rondo Rondo)

I'm ballin' like Rondo, I'm on the grind yo  
Tryna make a dollar out a nickel and a dime yo  
That money on my mind yo, large car smaller than the  
condo  
I put that on my mind yo

If it's beef I left the 9 blow  
Stay with the Heat like Alonso  
Change your name to John Doe  
I could I could box and I could rhyme so  
When I rhyme yo you hear a bunch of punches like a  
combo  
Yo you scaredy cats and I'm here to rob your scary ass  
I wear the mask and ask where the cash  
If your pockets fat like your Tahiry ass  
I was grindin' white from Limekiln Pike to Erie Ave  
You could tell them grindin' by the yella diamonds  
From now on call me Canary Cass  
Ain't no bitch with me, plus I got a click with me  
And my click strapped, big gats  
Big max, Mickey D  
In this world you can't get shit for free  
So I get the key and then whip the key  
Bag the rock the pass the rock  
Nobody got more resist than me

I'm 'bout that, niggas know the motto  
You can it cheap homie if you know who I know  
'Bout to make it rain, get your poncho  
Niggas start the trip in 9 zone man, Rondo  
Rondo Rondo (I run the team) Rondo Rondo  
(Ball for the green) Rondo Rondo  
I'm known to make a swish I'm the man out this bitch  
(Rondo Rondo)
