Y'already know huh
Flyest fat niggas you know
Chubby, Lost and Found, T Dot what happenin'?
Let 'em know

I've got heaters maxin' semis, come to hoes I'm
mackin' many
Come to cash me the cash, I'm stackin' plenty
Shaq and Penny Shaq and Penny Shaq and Penny
Yep, just call 'em Shaq and Penny
Talkin' guap, we stakin' plenty
Yea we ballin', Shaq and Penny

I've got heaters maxin' semis, come to hoes I'm
mackin' many
Come to cash me the cash, I'm stackin' plenty
Shaq and Penny Shaq and Penny Shaq and Penny
Yep, just call 'em Shaq and Penny
Talkin' guap, we stakin' plenty
Yea we ballin', Shaq and Penny

Ok, Chubby Jag on that new shit
Homie true shit, I'm too sick
I'm on point like a tooth pick
If there's beef you can call me Ruth Chris
Ha, yellow stones with the blue mix
Whole rack for my new kicks
Station wagon my old ho
That new Jag is my new bitch
I'm ridin' 'round and get lil brain
Cuz I'm walkin' 'round like I'm too flamed
Got me in the leave with a new game
So just fall back, you too lame
My kick game so sick at home
I'm walkin' 'round like Liu Kang
It's my, I spend it
I'm walkin' 'round like 2 Chainz
Real nigga you starin' at
Can't beat me with no fake look
A thousand hoes wanna fuck subby
They like a nigga, no Facebook

On the taker just one time
So we lookin' out for the one time
Cold kid, I got dumb lines
I'm eatin' up like it's lunch time
Hustle hard like it's crunch time
My new song, made a theme on it
New strap, got a beam on it
Purple juice, I lean on it
Any nigga wanna say somethin'
You best believe that I'm callin' out
Getting work off like I'm callin' out
Shaw and Penny, we ballin' out

I've got heaters maxin' semis, come to hoes I'm
mackin' many
Come to cash me the cash, I'm stackin' plenty
Shaq and Penny Shaq and Penny Shaq and Penny
Yep, just call 'em Shaq and Penny
Talkin' guap, we stakin' plenty
Yea we ballin', Shaq and Penny

Purple lean, I'm juiced up
Purple haze, great good stuff
I'm with this chick that I scooped up
I'm fuckin' and chuckin' the dudes up
I'm in the coup with the roof up
Cuz I'm too stuck and my eyes red
Before my bred, I clap gats and that snap back when
you guys here
You'd better listen to what I said
When I talk, all ears
I push the rock like Rondo
But shoot shots like Paul Pearce
I'm on my job all year
My diamonds break cuz the rhymes are right
I'm tryna write, I'm kinda short
Spendin' all my money, I'm buyin' 'em high
When I'm on the mike I'm kinda nice
So I'mma blow like dynamite
Her vagina tight, I'm a pimper man
Chicks like me, no Instagram
I've been the man, ain't shit switched
And I get chicks, they lick dick
I'm a twit pick the swallower and show it to all my
followers
That's the way your baller play
Jag shakin', I'm hard away
Gucci belt and some skinnies on
Polo shirt and some panties on
I'ma spend til the Benji's gone
Don't you ever compare me to them

I'm so fly and I'm so high
My eyes lookin' like Jeremy Lynn

I've got heaters maxin' semis, come to hoes I'm
mackin' many
Come to cash me the cash, I'm stackin' plenty
Shaq and Penny Shaq and Penny Shaq and Penny
Yep, just call 'em Shaq and Penny
Talkin' guap, we stakin' plenty
Yea we ballin', Shaq and Penny

I've got heaters maxin' semis, come to hoes I'm
mackin' many
Come to cash me the cash, I'm stackin' plenty
Shaq and Penny Shaq and Penny Shaq and Penny
Yep, just call 'em Shaq and Penny
Talkin' guap, we stakin' plenty
Yea we ballin', Shaq and Penny
