[Chorus:]

Your all I need that's all
I'm addicted to your love your love
But when you leave I feel withdrawals
Because I'm addicted to your love
I'm addicted

[Cassidy:]

I was driving down Nice town to pick up Keyshia
And I almost crashed when I passed this chick named
Rachel
She ain't have a ring on her finger but really faithful to
some big willy
but I'm really getting cake too
Mami a hotty gotta body and a face too but she tasteful
I could probly give her felatial
She had a ass that'll probly intimidate you
but I called her like Rachel come her don't make me
chase you
She stopped and said Cass I always wanted to date you
since the hotel video I wanted to rape you
Boy I wanna taste you
I said well we leaving and I took her to the top floor of
the 4 seasons and got right,
that twat tight I know you feel me
She was like I'm dying you are trying to kill me
I made her come so many times I feel guilty
I hit it now shawty addicted u fucking feel me?

[Chorus]

Chicks is addicted to my dick they can't leave that
Like a crackhead need a hit the chicks need that
Diamonds is a girls best friend, don't beleive that
Dick is a chick best friend betta beleive dat
It's diamonds on my wrist neck diamonds on my hand
If I'm your best friend you could get diamonds and a
man
But Pam say she'd rather have diamonds then a man
and she'd rather use the rabbit than put time in with a
man

[Nalia Boss:]

Well a vibrator's safe then grinding on a man and I'm
disease free,

I don't use condoms on my hand understand

[Cassidy:]

I said Yes Pam I respect that
but if you take a chance with tha boy you won't regret
that

She thought for a while and smiled like I accept that

You can get tha wet? but you gotta protect that

Pam I protect myself don't even sweat that

I hit it now shawty addicted

She always check dat

[Chorus]

Yo my love like a drug, she addicted to me

She addicted cause I'm hittin it ridiculously

And she know that it's a lot of fish in the sea

But I'm a fisherman I reel in every chick I see

She addicted (I'm addicted)

She addicted she addicted she addicted (I'm addicted)

She addicted she addicted she addicted (I'm addicted)

She addicted she addicted she addicted (I'm addicted)

She can't quit it cause she addicted (I'm addicted)

[Nalia Boss:]

Definitely wanna love you til I overdose

I'm up for aquatics it's like I lose control

Never go away promise me you'll stand beside me
