Chorus:

I'mma wind up hurting you mother f-ckers
Cause you're hating it,
and I'm taking it personal, mother f-ckers!
Yeah, I'mma wind up hurting you mother f-ckers
Cause you're hating,
and I'm taking it personal mother f-cker
Yeah, I'mma wind up hurting you mother f-ckers
Cause you're hating,
and I'm taking it personal mother f-cker
Take it how you wanna take it, however you wanna take
it
Take it how you wanna take it, however you wanna take
it
Oh shit, I'm six feet dirting you mother f-ckers

Cause you're hating it,
and I'm taking it personal mother f-cker!

Popping out on dice games and if Iâ€¦
These niggers talk â€¦ like they got stripes on them

See, what â€¦ we gotta hear something
All my nigger ride with fourâ€¦ we don't spend nothing

I'mma wind up hurting you mother f-ckers
Cause you're hating it,
and I'm taking it personal, mother f-ckers!
Yeah, I'mma wind up hurting you mother f-ckers
Cause you're hating,

and I'm taking it personal mother f-cker
Yeah, I'mma wind up hurting you mother f-ckers
Cause you're hating,
and I'm taking it personal mother f-cker
Take it how you wanna take it, however you wanna take
it
Take it how you wanna take it, however you wanna take
it
Oh shit, I'm six feet dirting you mother f-ckers

I threw bullets like a quarter back
Put a whole the size of a quarter in your head with
theâ€¦
For someâ€¦ you get your daughter snatched
..you'll never get your daughter back.
I had fun with you baby momma, and recorded that
On a ..where I left my sons and my daughters at
Man, you can hate it if you wanna hate it
But it's money to be made
And I'mma make it how I wanna make it
I'm.. cause I don't like none of you, niggers
And you can take it how you wanna take it
Mother f-cker, is theâ€¦
Cause I'm the best nigger, even deaf niggers heard of
me!
