Without effort, she break records like a Disk Jock
Shawty 'bout to get got
Cause she hard as nails
She that broad, it ain't hard to tell
Well me and shawty lip lock
Then I took her to bed
And before she fell to sleep, I said
Girl I love you more then hip-hop
You a women, or wife
I think I finally met a women I like

The boy Cas' serious

Are you hearing this

Are you hearing this

Are you hearing this

She'd be delirious of the experience

Cause' I'm a straight thug that know how to make love

If she ain't on her period

Then I'm getting it done

I gotta let her feel the tip of the tounge

Then ride out like a chariot

So even if I'm gone

She can't forget about the trip we was on

Cum'on

[Chorus:]

Can we take a trip

Baby I don't mind

Where we go, aslong as your all mine

We can drive or walk

Baby we can fly

Aslong as you take me away

I'll be makin' you say

Uh My, Oh My

Baby don't stop, daddy you'll be making me say

Ah Ah, UH Ah

La, La, La, La, La, LA, La

We rollin' in the six fo

And all your hearin' is

All your hearin' is, all your hearin' is

Flyin in the G-Fo'

And all your hearin' is

All your hearin' is, all your hearin' is
