Do me a favor
Tell me what you think about me
Tell me how you want this to be
Go out on a limb and just dream

Paint a picture
Choose your colors extra light
Especially what you put on my mind
Imagine what it'd be like to touch the sky, yeah yeah

Whoa-oh
Your thoughts are gonna pick me up
Do you know
it's good to feel too much?

Oh, you've got my head in the clouds
Oh, you've got me thinking out loud
The more you dream about me, the more that I believe
That nothing's ever out of reach, so dream, dream,
dream

I breathe your visions
They pull me through the coldest of nights
They steer me towards that moment in time
When you show me what it means to you to be mine,
yeah

Whoa-oh
Your giving me the will to try
Do you know
That there's happy in these eyes?

Oh, you've got my head in the clouds
Oh, you've got me thinking out loud
The more you dream about me, the more that I believe
That nothing's ever out of reach, so dream, dream,
dream

Ha, it's like my birthday
Every time you look at me
it's like the best day
Every time that you dream, yeah, yeah

Whoa-oh
Your thoughts are gonna pick me up
Do you know
it's good to feel too much? Much?

Oh, you've got my head in the clouds
Oh, you've got me thinking out loud
The more you dream about me, the more that I believe
That nothing's ever out of reach, so dream, dream,
dream
Dream, yeah

The more you dream about me, the more that I believe
That nothing's ever out of reach so dream, dream,
dream
Dream...
