La, la, la
La, la, la, la
La, la, la

How come everything turns out
Leaving me with more doubts
I feel like I'm upside down
And I don't wanna be here
I go right, should have gone left
And I say things I should not have said
Look at me in this big mess
I don't wanna be here

[Chorus]
Everything I do
Is making me more confused
Oh, it used to be easy
All I had to be is me
Now I'm mixed up
Everywhere I go
Is somewhere that I don't know
Oh, I hope that I'm dreaming
'Cause I'm sick of this feeling
I'm mixed up
Somebody help me

La, la, la
La, la

Tell me how to fix this
I'd trade my world for one wish
To go back to my other life
Oh, and get it right

[Chorus]
Everything I do
Is making me more confused

Oh, it used to be easy
All I had to be is me
Now I'm mixed up
Everywhere I go

Is somewhere that I don't know
Oh, I hope that I'm dreaming
'Cause I'm sick of this feeling
I'm mixed up
Somebody help me

So hold me
Tell me
Everything's gonna
Be okay cause today it feels like
I won't make it through the darkness
Don't know how to get out of this
I'm so mixed up
Somebody help me

La, la, la

[Chorus]
Everything I do
Is making me more confused
Oh, it used to be easy
All I had to be is me
Now I'm mixed up
Everywhere i go
Is somewhere that I don't know
Oh, I hope that I'm dreaming
'Cause I'm sick of this feeling
I'm mixed up
Somebody help me
