Come on guys tell me what we're doing  
We're hangin' around when we could be all over the  
pla-a-a-ace  
The sun is shinin' just the way we like it  
Let's get out of this hall  
Let's show the world our fa-a-a-ace

Its friday but there's nowhere to go  
Anywhere but school but we're not going ho-ome  
And we can do anything we wanna do  
It's all up to me and you

[chorus:]  
Turn this park into a club  
And the lights and the moon from above  
Skateboards, heels alright so cool  
Oh look everyone is waiting for us

So anywhere we are  
Anywhere we go  
Everybody know-ohs  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody know-ohs  
We got the party with us  
Oh oh oh oh oh oh oh oh oh oh ohh ohh  
We got the party with us  
Oh oh oh oh oh ohhh  
We got the party with us

Radio, let me be a DJ  
I'll turn you up because we're moving 'till we're on a ro-  
o-o-oll  
Everyone is dancing to their own beat  
And letting go, everybody gives out a so-o-o-oul

It's friday and there's nowhere to be  
We're kicking it together it's so good to be fre-e  
We got each other and that's all we need  
The rest is up to you and me

[chorus]

[bridge:]

Life is for dreamers and I'm a believer  
That nothing can stand in our way today to start the  
place to play

[chorus:]

Turn this park into a club  
And the lights and the moon from above  
Skateboards, heels alright so cool  
Oh look everyone is waiting for us

Anywhere we are  
Anywhere we go  
Everybody know-ohs  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody know-ohs  
We got the party with us

Turn this park into a club  
And the lights and the moon from above  
We got the party with us  
Skateboards, heels  
Oh look everyone is waiting for us

Anywhere we are  
Anywhere we go  
Everybody know-ohs  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody know-ohs  
Oh oh oh  
We got the party, we got the party, we got the party, we  
got the party with us  
Oh oh oh oh ohh  
We got the party with us
