I have been unfaithful
I have been unworthy
I have been unrighteous
And I have been unmerciful

I have been unreachable
I have been unteachable
I have been unwilling
And I have been undesirable

Sometimes, I have been unwise
I've been undone by what I'm unsure of
But because of you and all that you've been through
I know that I have never been unloved

I have been unbroken
I have been unamended
I have been uneasy
And I have been unapproachable

I've been unemotional
I've been unexceptional
I've been undecided
And I have been unqualified

Unaware, I have been unfair
I've been unfit for blessings from above
But even I can see the sacrifice you made for me
To show that I've never been unloved

Unaware, I have been unfair
I've been unfit for blessings from above
But even I can see the sacrifice you made for me
To show that I've never been unloved

It's because of you and all that you've been through
I know that I've never been unloved

Never been unloved
Never been unloved
I have been unfaithful
I've never been unloved

I have never been unloved
