She sits all alone
Reading books and drinking wine
Admires all the cracks by her doorway
She tries to look happy
But she's slowly running out of smiles
And gracefully wasting away

(Chorus)
Who is gonna make the birds sing
Who is gonna be her everything
Everyday goodbyes

She foolishly tries
To convince herself that she'll be fine
She blows all her kisses to no one
As the phone rings again
She just closes her eyes
She covers her ears and screams "Please not today"

(Chorus)
Who is gonna make the birds sing
Who is gonna be her everything
Everyday goodbyes

She cries and then she sighs
Gets down on her knees
Yelling "I don't believe what has happened to me"
She cries and then she sighs
Gets down on her knees
Yelling "I don't believe what has happened to me"

(Chorus)
Who is gonna make the birds sing
Who is gonna be her everything
Everyday goodbyes

(Chorus)
Who is gonna make the birds sing
Who is gonna be her everything
Everyday goodbyes
