I wake up thoughts of you  
tattooed to my mind  
as I wonder  
what to wear  
what to eat  
who to be  
well I see  
you were there

And as my car breaks down  
I shake my head and say  
What a day.

If you only knew  
what I went through just to get to you  
I'm hanging from you  
And I'll hold on if you want me to

Every bus every train every cab every lane  
is jammed  
So I look to sky  
And I reach for the planes with my hands

If all my days go wrong  
I'll think about last night  
It went right

If you only knew  
What I went through just to get to you  
I'm hanging from you  
And I'll hold on if you want me to

IF you only knew  
What I went through just to get to you  
heyyyyyyyyy  
I'm swinging from you  
and there's nothing I would rather do
