Save our lives
Can't revive
Your magic place is nearing hell
Set it straight
Can't relate
I hope your friends treat you well

All the waiting
Killing fading
And I'm falling
I'm falling

All the waiting
Killing fading
And I'm falling
I'm falling

You saved our lives
And took our dives
You waited for the time to sell

All the waiting
Killing fading
And I'm falling
I'm falling
All the waiting
Killing fading
And I'm falling
I'm falling

Save our lives
Can't revive
Your magic place is nearing hell
Set it straight
Can't relate
I hope your friends treat you well

All the waiting
Killing fading
And I'm falling
I'm falling

All the waiting
Killing fading
And I'm falling
I'm falling

Yeah
Yeah

Save our lives
Save our lives
Save our lives
