You know that I was overblown by all the card sharks  
And the muggers that day  
And there were several million lovers  
of that dress that's in the window display  
And every day they'd say  
Oliver  
Oliver  
Oliver  
Oliver don't stay

She was quite a woman  
Kind and understanding woman she was  
Oh yeah  
Sure I really loved her  
But she acted like a mother to me  
And she loved me and I'd scream

Nancy  
Nancy  
Nancy  
Please take care of me

Oliver, Oliver  
Oliver, Oliver  
Oliver

Aaaaahhhhhhhhhhh

I was overblown by all the card sharks  
And the muggers that day  
Several million lovers  
of that dress that's in the window display  
And every day they'd say

Oliver  
Oliver  
Oliver  
Oliver don't stay
