Like a sunrise happening at 3am on a walk in the  
middle of the night  
You may not have a clue  
Something you just knew  
And something you were always dreaming of

But tip your hand towards the sky and stand back while  
your tears get dry  
Happiness is always on the move  
You can wonder if it's warm inside but stay out 'til your  
feet get tired  
Watch out for that Shayanni suprise

Just because we're waiting for the lottery  
Doesn't mean we can live our lives for free  
And I've seen illusions but Shayanni's suprise  
Got me right behind the eyes

Even in the midst of all lifes' so pleasant gifts  
Someone out there's got it twice as bad  
So thank your lucky stars and take a look at who you  
are  
And never waste another day again

Get a note upon your sleeve and read it out before you  
leave  
Because everybody loves a Valentine  
And you know just as well as I that we are all in  
pantomime  
Waiting for a Shayanni suprise

Just because we're waiting fot the lottery  
Doesn't mean that we can live our lives for free  
I've seen illusions but Shayanni's suprise  
Got me right behind the eyes

hoo hoo, hoo hoo, hoo hoo ho hoo  
hoo hoo hoo, hoo hoo

Just because we're waiting fot the lottery  
Doesn't mean that we can live our lives for free

And I've seen illusions but Shayanni's surprise  
Got me right behind the eyes
