Even though you're innocent, sometimes I just want to
smash your face.

When I have my ups and downs, I throw my weight
around.

And depending on my mood, I'll destroy you too.

But now I see:

You were right about everything, but I didn't want to
listen.

I'm going, going, gone. I'm going, going, gone.

You find you're wrong way too late, and then you

Even though I know you're right, sometimes I just
needs to prove you wrong.

Sometimes it's hard to be super scary and mean.

Then evil things I'd say pushed you all away.

But now I see:

You were right about everything, but I didn't want to
listen.

I'm going, going, gone. I'm going, going, gone.

You find you're wrong way too late, and then you die

I won't pretend, sometimes I wish I was somebody else.
