Whoa oh yeah

When, I'm sitting home,  
And I'm all alone,  
And I don't hear no phone  
I need a hot shot

When, it's Friday night,  
And I ain't feeling right,  
There ain't no man in sight  
I need a hot shot  
Hot shot, hot shot

Ooh baby baby baby baby baby won't you feel it in my  
soul  
Come on now move it  
Hey I know you never never never never gonna lose  
control  
My side is burning, it's getting real hot,  
You know that I need me my shot

Ooh, burn, I'm off the street  
And I feel the beat  
That drives out on my feet  
I need a hot shot

Burn, I'm with the crowd,  
It will feel me proud,  
And the music's loud  
I need a hot shot  
Hot shot, hot shot

Ooh come on, come on, come on, come on  
You gotta feel the kinda motion in my soul,  
You gotta move it,  
Whoo, i know you never never never gonna lose  
control,  
My side is burning, it's getting real hot,  
You know that I need me my shot, whooo

I need a hot shot

Hot shot hot shot hot  
I need a hot shot

Burn, I'm sitting home  
And I'm all alone  
And I don't hear no phone  
I need a hot shot

Burn, I'm with the crowd,  
It will feel me proud,  
And the music's loud  
I need a hot shot  
Hot shot, hot shot

Ooh come on, come on, come on, come on  
You gotta feel the kinda motion in my soul,  
You gotta move it,  
Whoo, i know you never never never gonna lose  
control,  
My side is burning, it's getting real hot,  
You know that I need me my shot, whooo

I need a hot shot  
Hot shot hot shot hot (ah)
