Fear does not exist in my dojo!

Put 'em in a body bag
Put 'em in a body bag

So lets say we throw all of those old ideas out the
window,
And let them crash to the floor below.
I want to try, but I think I'm still learning about what it
takes to beat insecurity.

Put 'em in a body bag, fear does not exist in my dojo.
Pain does not exist in my...
Put 'em in a body bag, fear does not exist in my dojo.
Pain does not exist in my...

It's not too late if you want to.
We could map out a brand new road, and we could re-
write the entire show.
I know it's up to me to grow, and if I keep telling myself
that I can change,
I will keep trying until I find a way.

Put 'em in a body bag, fear does not exist in my dojo.
Pain does not exist in my...
Put 'em in a body bag, fear does not exist in my dojo.
Pain does not exist in my...

Sign the papers, sign the papers
Make a commitment
If I tell myself that I can change I'll try until I find a way.
Sign the papers, sign the papers
Make a commitment
If I tell myself that I can change I'll try until I find a way

Don't forget that it's not too late for you to sweep the
leg of life.
It's not too late if you want to make things right this
time. no mercy.
It's not too late for you to sweep the leg of life. just put
'em in a body bag

Put 'em in a body bag, fear does not exist in my dojo.
Pain does not exist in my...
Put 'em in a body bag, fear does not exist in my dojo.
Pain does not exist in my...

Put em' in a bodybag!!!
