(It's a simple question really...  
All I need to know is are you in? Or are you out?)

Hey you, do you want to know the secret handshake?  
A simple 'yes' or 'no' is all you should say.  
And if it's 'yes', then you'd have to learn the  
passwords.  
Oh, where are my manners? We have a brilliant  
resume.  
Oh no, I never said that our actions would be proper,  
but I maintain my offer.

(All I need to know is are you in? Or are you out?)

What is it gonna be? What is it gonna take? What do I  
have to say?  
Come on, won't you tell me now, are you in or are you  
out?

Oh please, yes I know that I'm flirting with disaster.  
You should know that's exactly what I'm after.  
Oh and of course, you'd be working with the elite. The  
best we have to offer.  
Wait, I thought I heard you say that you never thought  
betrayal was courageous?  
Well that's just outrageous.

(All I need to know is are you in? Or are you out?)

What is it gonna be? What is it gonna take? What do I  
have to say?  
Come on, won't you tell me now, are you in or are you  
out?

One thing left to do.  
One thing left to prove.  
One last piece to move.  
This ain't about justice.  
It's about revenge, and a lifetime membership

(Well, now that the blueprints been laid out, and you  
have all the details

Um, still, it's a simple question really...  
All I need to know is are you in? Or are you out?)
