Twice upon a time,
We made the same mistake
And fell so far behind.

This place looks familiar,
It feels like I've been here before,
But I'm really not to sure.
[Not really to sure]

So I'm asking[x3]
Is it even possible
To forget what I've learned before and
Have to do this it all again?
Back to the start where it all began, and
I should have told you from the get go.
I should have looked for something unconventional.

Twice upon a time,
We made the same mistake,
And fell so far behind. [x2]

Could you help me forget?
I dont want to remember
All the mistakes I now regret.

So I'm waiting[x3]
For the day that I learn,
That dreaming someone else's dream
Is never the answer.
But its's nobody's fault but my own,

And I should have told you from the get go.
I should have looked for something unconventional.

Twice upon a time,
We made the same mistake
and fell so far behind. [x2]

Arent we all looking for something unconventional?
[x4]
Hoping for a second chance,
To start over again?

I should of told you from the get go,
I should have looked for something unconventional.

Twice upon a time,
We made the same mistake
And fell so far behind. [x2]

Next time I'll give one hundred and ten percent.
