Cassie Steele - Groupie
I'd never seen tighter jeans
Then I did on Miss Jacqueline
Saw her in the crowd she screamed
"Baby, put your sex on me!"
Called her up after my show
Brought her back to the bus
And on the floor
Smacked that 'till she asked for more
Sorry Babe I've got to go

[Chorus]:
Hey baby gotta hit the road
Thank you for this episode
I'd love you if you'd let me
Call you when i'm in your city
Ain't nothing like groupie love
Short and sweet and hot as f***
I'd love you if you'd let me
Call you when i'm in your city

I never had lips so sweet
Since Mary Jane was off her feet
Saw her in the crowd she screamed
"Baby, can you handle me?"
Called her up after my show
Brought her back to the bus
Took off her clothes
Handled her with a mouth full of force
Sorry babe i've got to go

[Chorus]

I don't like the feeling I get, no
Groupies offer the love
That heats my bones

I'd never seen tighter jean
then i did on miss Jacqueline
saw her in the crowd she screamed
"Baby, put your sex on me!"

[Chorus]
