Pavement Lyrics

By: Cassie Steele

How did I end up like this?

Iâ€™m driving you around and taking care of your kids  
And maybe baby I should of listened to my folks  
Cause now Iâ€™m stuck in pavement on the road

How did I end up like this?

All the plans I had weâ€™re chocked by your evil kiss  
And maybe, baby I should have listened to my folks  
Cause now Iâ€™m stuck in pavement on the road,  
Yet now Iâ€™m stuck in pavement on the road

How did I sink down this deep?

Iâ€™m rolling like a stone and baby here is travesty  
Maybe, baby I should have loved you so  
Cause now Iâ€™m stuck in pavement on the road  
Yet now Iâ€™m stuck in pavement on the

And baby the silver lost it's shine a long time ago  
And Iâ€™m stuck on the inside  
Watching us grow old  
Never once realized I must pay for my mistakes  
Sentenced to a pavement grave  
Sentenced to a pavement grave

What did I leave behind?

A life I could have had that now buried by the sand of  
time  
If only I came to all my chains and ropes attached to  
me  
All I have is corded destiny

What did I leave behind?

If only I could burst the words with you and you were  
mine  
Cause maybe baby I have had a lovely life  
Instead Iâ€™m just another sour wife  
Instead Iâ€™m just your sweetly sour

And baby the silver lost it's shine a long time ago

And Iâ€™m stuck on the inside,  
Watching us grow old  
Never once realized I must pay for my mistakes  
Sentenced to a pavement grave  
Sentenced to a pavement grave

La Ah Ah Ah Ah Ah AAAAAAAAAAAAA  
Ah Ah Ah Ah Ah Ah AAAAAAAAAAAAA  
La Dah Dah Dah Dah  
Oh Oh Oh  
La La La AAAAAAAA  
Ah Ah Ah Ah Oh  
La La La La Dah Dah

How did I end up like this?  
Iâ€™m driving you around and taking care of your kids  
And maybe baby I should of listened to my folks  
Cause now Iâ€™m stuck in pavement on the road

Baby the silver lost it's shine a long time ago  
And Iâ€™m stuck on the inside  
Watching us grow old  
Never once realized I must pay for my mistakes  
Sentenced to a pavement grave  
Sentenced to a pavement grave
