Tell me what you want
I'm here to get you off
Your hungry eyes undress me,
Tell me to sing something sexy
Something sexy

Get on my lace for you
I know my leather will impress you
Show you what I can do
I'll show you how you make me move
'Cause you make me move

Sweat falls down my neck
I start to lose my mind
When I see, I see
Oh, when I see, I see
Blood heats in my face
I start to go insane
When I see, I see
Oh, when I see
Something Sexy

Tell me what you need,
What's in your darkest dreams
Ask what you want of me
I'll be your twisted fantasy
I'll be your fantasy

Temperature starts to rises
Fever of the coolest kind
Your hungry eyes undress me
Let me show you something sexy
Something Sexy

Sweat falls down my neck
I start to lose my mind
When I see, I see
Oh, when I see, I see
Blood heats in my face
I start to go insane
When I see, I see
Oh, when I see

Something sexy

When you pour your love on me,
And your kiss is all too real
I'm tasting something

Sweat falls down my neck
I start to lose my mind
When I see, I see
Oh, when I see, I see
Blood heats in my face
I start to go insane
When I see, I see
Oh, when I see
Something Sexy

Sweat falls down my throat
I hate what I become
When I see, I see
Oh, when I see, I see
Blood heats in my face
I start to go insane
When I see, I see
Oh, when I see
Something Sexy
