I always say
You never pay me attention, uh-huh
You always ignore me
And I'm really boring, ooh uh-huh

So why should I stay,
When there's so much selection?
I wanna be good, but I want a collection
Kids in the school have worse of addiction.
Just looking for a good time

You wouldn't call me,
No you wouldn't text me.
Put me in distress, seems stuck in my bed
So I went to a party, just me and my posse.
Then I was kissing your best friend.

Oh, boy you drive me crazy
I love you till you hate me, I'm a fool.
Sorry I was naughty, but girls just wanna party
It's a cruel
La la la la-la la, la la la la laha boy
La la la la la uh-huh

He always say he'll never leave me alone, oh oh
Never ignore me, he love and adore me, oh uh-huh
And if I go running, I know he will follow
The presents are piling outside of my window
You're calling me crying on my telephone-oh
Just looking for a good time

You wouldn't call me,
No you wouldn't text me.
Put me in distress, seems stuck in my bed
So I went to a party, just me and my posse.
Then I was kissing your best friend.

Oh, boy you drive me crazy
I love you till you hate me, I'm a fool.
Sorry I was naughty, but girls just wanna party
With you

La la la la-la la, la la la la la laha boy
La la la la la la uh-huh
