[Intro: Eminem]

good morning

Haha, wake your mother fuckin asses up

You with us or what?

Well come on then, you know what time it is

Stop sleepin on my group bitch!

[Verse 1: Eminem]

For whatever it's worth it's worth me havin my ass
whipped

Cause I'ma have da last lips to ever kiss ass with (kiss)

I just can't get past these little pissants

That wanna be rauny bad asses so bad

And they so mad they can't stand it

Cause we can and they can't spit (Haawk)

And they can't handle it like a man

And that's when it just happens

And I snap and it's a wrap, and it's a scrap an then it
isn't rap is it?

Hip-Hop isn't a sport anymore when you got to go and
resort back into that shit

Maybe I'm old fashioned but my pashion

Is to smash anyone rappin without havin a slappin

Believe me I'd much rather pick up a pencil than a
pistol but I'm pissed now

But it all depends on just how far it get's took on the
mic

Cause I'm tellin you right now your not gonna like it

Cause if I get pushed over the edge then I'm pullin you
with me

You poke a stick at a pitbull you get bit B

These words stick to you like crazy glue

When you diss me cause they just bounce off me like
bullets do fifty!

I'm the beatiful-est thing and your gonna miss me
when I'm gone

Like Kieth Murry when he threw a stool and hit a girl
acci-dently (argghhh!!)

I do this with Swifty, Kon and Kuniva, Bizzy & Proof are
you with me?

[Chorus: Eminem]

Good mornin' everybody good mornin'
Kick your shoes off mother fuckers come on in
Cause we get it on until the break of dawn an
Wake your ass up motherfuckers quit yawnin
Cause we ain't leavin till 6 in the mornin
So have a sing along with the words to the song an
If you don't know the words and you can't sing along
then
Fake like you know 'em motherfucker an join in
Everybody good mornin'

[Verse 2: Swifty]

Its in the media pitted me of a beef starter
In a party with heat it's hard to keep me without one
Fuck snubs I'm walkin clubs with a shotgun
Constantly popin slugs they hot son, better not run
The bosses of all bosses a haluocaust to whoever ain't
conciuous
In a house full of dark shit,
I'ma gothic death prophet, you stop breathin
You die quicker than mach speed without bleedin
It ain't about what you readin
When you meet me better speak like a season's
greetins
Either that or we'll be beefin free when
You niggaz need a 'E' just to speak shit!
Your leader is a botique bitch
Keep the heater where you can reach quick
I snipe you with it and we won't even keep it a secret
Nigga I did it from a mind of a mental patient
When glocks wave you can save that conversation for
satan
You brave?

[Chorus: Eminem]

Good mornin' everybody good mornin'
Kick your shoes off mother fuckers come on in
Cause we get it on until the break of dawn an
Wake your ass up motherfuckers quit yawnin
Cause we ain't leavin till 6 in the mornin
So have a sing along with the words to the song an
If you don't know the words and you can't sing along
then
Fake like you know 'em motherfucker an join in
Everybody good mornin'

[Verse 3: Kon Artis]

Yo yo I heard you niggas don't like us
But so what this beef is like
'What the fuck did he say in his rap Em?'
I can see that he's just a punk
I mean these niggaz squeeze on me

Please I'm seeing guts
I don't need no enemies, as my family a couple trucks
Am I empty seein them white I empty out them white to
fight you
In front of every reporter that I don't like
No need for metaphores I get yours across when I write
So emotions enough to say "fuck you bitch, shit I don't
like you, WHAT!"
I might as well give this up like heavy sales
And just fuck an leave D12 and this blunt
We can't self destruct
I've never felt it this much
Come on fellas, get up
We got to fight like Bugs last night of his life come on

[Verse 4: Kuniva]

I walk with a limp, pistol hangin off-a the hip
I'm awkward and quick enough an sick when sparkin a
fith
Your carcus is split even the beef is partially thick
We can't take you serious, you a comedy skit
You probaly wish that you could be out shootin them
G's
But the only thing you shoot is the breeze
I can't believe you speaking on movin key's
But every time we hear you kick it
The only thing that you sellin is wolf tickets
I look wicked cause niggas will test your nut sack
So when they bust you better bust back
And get your guts clapped outa your stomach
And when they want it (yeah)
I bring a hundred niggas from runave
So get to gunnin' and if you comin

[Chorus: Eminem]

Good mornin' everybody good mornin'
Kick your shoes off mother fuckers come on in
Cause we get it on until the break of dawn an
Wake your ass up motherfuckers quit yawnin
Cause we ain't leavin till 6 in the mornin
So have a sing along with the words to the song an
If you don't know the words and you can't sing along
then
Fake like you know 'em motherfucker an join in
Everybody good mornin'
