She make me feel so good
Better than I would by myself
Or if I was with somebody else, you don't understand
She make the people say, yeah, yeah

I could put you in a log cabin
Somewhere in Aspen
Girl, ain't nothin' to the Pain
Ain't trickin' if you got it, what you askin' for?

Put you in a mansion
Somewhere in Wisconsin
Like I said, ain't nothin' to the Pain
We could change the last name, what's happenin'?

'Cause you look so good
Tell me why you wanna work here
I put you on the front page of a king magazine
But you gon' get yourself hurt here

Ay baby, I brought you in the back
Just to have a conversation
I really think you need some ventilation
Let's talk about you and me

Oh, I can't believe it
Ooh ooh, she all on me, on me
Man, man, I think she want me, want me
Naw I can't leave her lonely naw

Ooh, I can't believe it
Ooh ooh, she all on me, on me
Man, man, I think she want me, want me
Naw I can't leave her lonely naw

Man, you don't understand
She make the people say yeah, yeah, yeah
She hit the main stage
She make the people say, yeah
(Yeah)
Yeah

(Yeah)
Yeah

I could put you in a condo
All the way up in Toronto
Baby, put you in a fur coat
Ridin' the MurciÃ©lago

I put you in the beach house
Right on the edge of Costa Rica
Put one of them lil' flowers in your hair
Have you lookin' like a fly mamacita, fuego

'Cause you look so good
You make me wanna spend it all on ya
Get up out this club, slide with ya boy
And we can do what you wanna, yeah

Baby, I brought you in the back
'Cause you need a lil' persuasion
Plus you need a lil' ventilation
Let's talk about you, yeah and me

Oh, I can't believe it
Ooh ooh, she all on me, on me
Man, man, I think she want me, want me
Naw I can't leave her lonely naw

Ooh, I can't believe it
Ooh ooh, she all on me, on me
Man, man, I think she want me, want me
Naw I can't leave her lonely naw

Man, you don't understand
She make the people say yeah, yeah, yeah
She hit the main stage
She make the people say, yeah
(She make the people say)
Yeah
(She make the people say)
Yeah

Now I can put yo ass out
Oh and keep runnin' your mouth
And if your brothers come trippin'
I'ma show 'em what these teardrops for

Shawty, I was just playin'
Ooh, but I could take you to the Cayman Islands
Have you screamin' and hollerin'
Gon' be makin' love on the beach

The people see what we doin'
Oh, they pointin' and ooh-in'
Oh, but we gon' keep on doin' it
Like it just me and you and no one else around

It went down on the balcony
And I ain't talking Penthouse Suite
Shawty like a model out da Penthouse Sheets
That's why I got her on my Penthouse Sheets

And oh, I can't believe it
(Oh, I can't believe it)
Ooh ooh, she all on me, on me
(She all on me)

Man, man, I think she want me, want me
(I think she want it)
Naw I can't leave her lonely naw
(And I can't leave)

Ooh, I can't believe it
(Ooh, I can't believe it)
Ooh, ooh, she all on me, on me
(She on me)

Man, man, I thank she want me, want me
(She want me)
Naw I can't leave her lonely naw
(No I can't leave her)

And you don't understand
She make the people say, yeah
(She make the people say)
Yeah
(She make the people say)
Yeah
She hit the main stage
She make the people say, yeah, yeah
