Girl I can't notice but to
Notice you (you)
Noticing me (me)
From across the room I can see it
And can't stop myself from looking and
Noticing you
Noticing me
Watch out I've seen her type before
That girl is so dangerous
That girl is so dangerous
That girl is a bad girl
I've seen her type before
She's so dangerous
That girl is so dangerous
That girl is a bad girl, yeah

Ohhh yeah that's her
The big dog tryin to get her little kitty to purr.
Ex-man lookin at me like I'm Lucifer,
Cause he knows I will be on the case
Yes sir!
If I was the last man on earth
I would only take that girl
End of search
She give a new definition to the word curve
Got chicks in the strip club envyin her
Body's like a weapon of mass eruptions,
See the glad on that phat obstruction,
Tongue game give a new type of seduction.
(I'm trying to give that girl something...CHA!)

Girl I can't notice but to
Notice you (you)
Noticing me (me)
From across the room I can see it
And can't stop myself from looking and
Noticing you
Noticing me
Watch out I've seen her type before
That girl is so dangerous
That girl is so dangerous
That girl is a bad girl

I've seen her type before
She's so dangerous
That girl is so dangerous
That girl is a bad girl, yeah

Ohh... Bad to the bone,
Everything locked like a two-three zone
I wanted to make my black snake moan
Talk a lick a bit and take that home
She bad and she know the deal
That sweater can't hide what she want to conceal
I mean Megan Good and Halle Berry
Put together ain't close to the JUBEE I see (no no)
No disrespect but this gal a pon another level
Cut the check...Uhhh
Tell the king,
Man stop the press
Say kid can I get a witness

Girl I can't notice but to
Notice you (you)
Noticing me (me)
From across the room I can see it
And can't stop myself from looking and
Noticing you
Noticing me
Watch out I've seen her type before
That girl is so dangerous
That girl is so dangerous
That girl is a bad girl
I've seen her type before
She's so dangerous
That girl is so dangerous
That girl is a bad girl, yeah

I see you got that fire
By the way that you walkin' (walkin')
From left to right
I watched her go down
Girl I just want it right now
Don't wanna do no talkin' [talkin']
Shorty's so right I need to slow down

Figure 8
Good body shape
When she on the dance floor
Gal dem irate
When she do her thing
A man can't walk straight
That biscuit can soak up everything on my plate
Bad heels like Jessica B

I'm tryna give home girl sex and the cit-it-it-ty
Itty bitty waistline moves with the baseline
One lick of punch...I'm fine

Girl I can't notice but to
Notice you (you)
Noticing me (me)
From across the room I can see it
And can't stop myself from looking and
Noticing you
Noticing me
Watch out I've seen her type before
That girl is so dangerous
That girl is so dangerous
That girl is a bad girl
I've seen her type before
She's so dangerous
That girl is so dangerous
That girl is a bad girl, yeah
