Girl I wanna know what it takes to please you,
Ease you, let me tease you.
Expensive taste but I pay them fees too, get it?
Watch me set and make your girls jealous,
I'm committed after rockin and
I ain't chillin with the fellas.
Im'ma kill this,
let me take you over to the palace.
Put you on a pedistale,
Take your long hair and pull. (Get it up)
Hands up oh no keep it short,
Kardinal and Sean Kingston,
(Sean Kingston & Kardinal Offishall)
Girl I wanna know!

(Sean Kingston)

(Chorus)

Do you like to roll with your friends?
Or solo in the 2 door Benz?
It's whatever, let's ride.
Girl I wanna know.
I wanna know to take time to show ya.
And it won't be long.
By the end of this song,
Girl I wanna know.
I wanna know you take time to hold ya
Baby you're so fly,
Baby you're so cool.
Girl I wanna know.

(Verse 1)

I wanna know if you like it slow,
Plus you're on the island 24.
Baby we can go, it's whenever.
Girl I wanna know.
Where you get that LV bag?
Got a dude or you got a rich dad?
Looks like you don't work for nothin'.
Girl I wanna know.
Wanna know what to do,

Cuz you're so beautiful.
You can have whatever you want.
Girl I wanna know.
Wanna know how you keep it so clean,
Body so fit like a magazine.
Good fittin is good hygiene.
I really wanna know her.

Girl I wanna know.
Spend money, like left and right.
Never find a girl I can spend my life... with.
That's a hell of a price.
Shows that I wanna know. (Girl I wanna know)
That body so right, body so right... yeah.
Said I wanna... Girl I wanna know.

(Chorus)

I wanna know you take time to hold ya.
Baby you're so fly,
Baby you're so cool.
Girl I wanna know.
Do you like to roll with your friends?
Or solo in the 2 door Benz?
It's whatever, let's ride.
Girl I wanna know.
I wanna know you take time to show ya.
And it won't be long.
By the end of this song,
Girl I wanna know.
I wanna know you take time to hold ya.
Baby you're so fly,
Baby you're so cool.
Girl I wanna know.

(Kardinal Offishall)

Is the Louis, the Gucci or just me?
When you see me with these girls,
You know you can trust me, just ask.
They ain't got nothin on you, just ask.
I always talk about you with the crew
(Girl I wanna know)
to the point that they (clears throat)
Like psht... we should be 1 over 1.
Divided to make a family.
See, from T dot to MIA hill,
It's the black green gold
Now, Girl I wanna know.

(Sean Kingston)

I wanna know you take time to hold ya.
Baby you're so fly,

Baby you're so cool.
Girl I wanna know.
Do you like to roll with your friends?
Or solo in the 2 door Benz?
It's whatever, let's ride.
Girl I wanna know.
