Represent convict music, Akon (Who dat?) A.K

Recognize bwoy we don't play

Do it like this each and every day (Uh huh!)

So please stay in your place

Hate to find you with no face

Better yet gone with no trace

Other words please don't start no beef

Now sip on your Chardonnay
If the girls tipsy then fade away
I can tell that you wanna play
Cause it's written all over your face
From here it's back to the block
(Uh huh!) Hopefully not back to the glock
(Uh huh!) Got it made up but what if them cop
If I don't get popped by them crooked ass cops, no!

(Chorus: Akon)

We kill the dance again, mash up the place and it's a
