Light it up,  
Everybody, light it up,  
To Kardinal light it up,  
Everybody, Light it up

[Keri Hilson]

The tide is high but I'm holding on  
I'm gonna be your number 1  
number 1, number 1

[Kardinal Offishall]

she's just my part time lover  
pretty little thing  
nottin' I will never think about giving a ring  
nottin' but a pretty little one night fling  
even though she want to be the queen to my king  
she ain't nothin' but a word for my ginsing  
someone I would use to bust my boxspring  
she woulda a numba one, not be bada bing  
bad man not goin bother wit da wife, wife ting  
she gotta know she the girl on the side  
on my left on the rest but numba two on my mind  
there's no way she could ever be my girl  
but she steady trying to come into my world

[Keri Hilson]

The tide is high but I'm holding on  
I'm gonna be your number 1  
number 1, number 1

[Kardinal Offishall]

she just my trophy piece  
or me hot, hot gal  
never ever would I call her mrs. Offishall  
never ever would I bring her around my fam  
she be cryin' on the phone when she knows who I am  
I'm Mr. Kardinal, voice to the people  
blood they is family, and verses are lethal  
and I don't time for the play, play  
she's a good chick, yo  
but I'm married to the game

married to the fame  
related to the paper  
I'm tryin to get my name put up on a sky scraper  
There's no way she could be my wife,  
but she steady trying to come into my life

[Keri Hilson]

The tide is high but I'm holding on  
I'm gonna be your number 1  
number 1, number 1

Those other girls ain't nothing like me  
just give me the chance and boy you'll see  
that I'm not the kinda girl who just gets down like that  
oh no

[Kardinal Offishall]

on the real, I ain't goin free  
the fox to a lot of hound dogs on the hunt  
you need a push to a lotta cush rolling a blunt  
you the hottest at the dance but you ain't what I want  
I'm a business man, trying to get your business  
just trying to work out your physical fitness  
there's no way you can get that ring  
when I hear all the hotty, hotties in the place sing

[Keri Hilson]

The tide is high but I'm holding on  
I'm gonna be your number 1  
number 1, number 1  
The tide is high but I'm holding on  
I'm gonna be your number 1  
number 1, number 1

[Kardinal Offishall]

Kardinal!  
Keri Hilson!  
Light it up!  
Everybody, light it up,  
To Kardinal light it up,  
Everybody, Light it up
