Lite it up....

Everybody lite it up....

Come, Rihanna lite it up.....

Kardinal, lite it up....

[Rihanna]

The tide is high but I'm holding on

I'm gonna be your number 1

number 1, number 1

[Kardinal Offishall]

Shes just my part time lover

Pretty little thing

Nothing I would ever think about giving her a ring

Nothing but a pretty little woman I'd fling

She even knows she wants to be the queen to my king

She aint not-ting but a ???? for ????

Someone I would use to bust my backspring

She wouldn't _____

She got the gold, she my girl on the side

On the left, on the rest, number 2 on my mind

There's no way she could be my girl

But she's steady trying to come into my world

[Rihanna]

The tide is high but I'm holding on

I'm gonna be your number 1

number 1, number 1

[Kardinal Offishall]

(Yo) She just my trophy piece

Only i i

Never ever would I wanna call her Mrs. Offishall

Never ever would I wanna bring around my friends

She'd be crying on the phone but she know who i am

Mister Kardinal voice to the people

????, family and ???? says I leave her

I dont have time for the play play

She a good chick yo but i'm married to the game

Related to the fame, related to the paper

Trying to get my name put up on a skyscraper

There's no way she could be my wife

But she's steady trying to come into my life

[Rihanna]

The tide is high but I'm holding on
